Brett Baier Interview Of Donald Trump:

Three Days in Moscow Bret Baier, Catherine Whitney, 2018-05-15 An instant classic if not the finest book to date on Ronald Reagan Jay Winik President Reagan's dramatic battle to win the Cold War is revealed as never before by the #1 bestselling author and award winning anchor of the #1 rated Special Report with Bret Baier *Moscow 1988* 1 000 miles behind the Iron Curtain Ronald Reagan stood for freedom and confronted the Soviet empire In his acclaimed bestseller *Three Days* in January Bret Baier illuminated the extraordinary leadership of President Dwight Eisenhower at the dawn of the Cold War Now in his highly anticipated new history *Three Days in Moscow* Baier explores the dramatic endgame of America's long struggle with the Soviet Union and President Ronald Reagan's central role in shaping the world we live in today On May 31 1988 Reagan stood on Russian soil and addressed a packed audience at Moscow State University delivering a remarkable yet now largely forgotten speech that capped his first visit to the Soviet capital This fourth in a series of summits between Reagan and Soviet General Secretary Mikhail Gorbachev was a dramatic coda to their tireless efforts to reduce the nuclear threat More than that Reagan viewed it as a grand historical moment an opportunity to light a path for the Soviet people toward freedom human rights and a future he told them they could embrace if they chose It was the first time an American president had given an address about human rights on Russian soil Reagan had once called the Soviet Union an evil empire Now saying that depiction was from another time he beckoned the Soviets to join him in a new vision of the future The importance of Reagan's Moscow speech was largely overlooked at the time but the new world he spoke of was fast approaching the following year in November 1989 the Berlin Wall fell and the Soviet Union began to disintegrate leaving the United States the sole superpower on the world stage Today the end of the Cold War is perhaps the defining historical moment of the past half century and must be understood if we are to make sense of America's current place in the world amid the re-emergence of US Russian tensions during Vladimir Putin's tenure Using Reagan's three days in Moscow to tell the larger story of the president's critical and often misunderstood role in orchestrating a successful peaceful ending to the Cold War Baier illuminates the character of one of our nation's most venerated leaders and reveals the unique qualities that allowed him to succeed in forming an alliance for peace with the Soviet Union when his predecessors had fallen short

Betrayal Jonathan Karl, 2021-11-16 THE INSTANT New York Times Wall Street Journal USA Today and IndieBound BESTSELLER An NPR Book of the Day Picking up where the New York Times bestselling *Front Row* at the Trump Show left off this is the explosive look at the aftermath of the election and the events that followed Donald Trump's leaving the White House all the way to January 6 from ABC News chief Washington correspondent Nobody is in a better position to tell the story of the shocking final chapter of the Trump show than Jonathan Karl As the reporter who has known Donald Trump longer than any other White House correspondent Karl told the story of Trump's rise in the New York Times bestseller *Front Row* at the Trump Show Now he tells the story of Trump's downfall complete with riveting behind the scenes accounts of

some of the darkest days in the history of the American presidency and packed with original reporting and on the record interviews with central figures in this drama who are telling their stories for the first time This is a definitive account of what was really going on during the final weeks and months of the Trump presidency and what it means for the future of the Republican Party by a reporter who was there for it all He has been taunted praised and vilified by Donald Trump and now Jonathan Karl finds himself in a singular position to deliver the truth

To Rescue the Republic Bret Baier, Catherine Whitney, 2021-10-12 1 New York Times Bestseller Fox News Channel s Chief Political Anchor illuminates the heroic life of Ulysses S Grant To Rescue the Republic is narrative history at its absolute finest A fast paced thrilling and enormously important book Douglas Brinkley An epic history spanning the battlegrounds of the Civil War and the violent turmoil of Reconstruction to the forgotten electoral crisis that nearly fractured a reunited nation Bret Baier s To Rescue the Republic dramatically reveals Ulysses S Grant s essential yet underappreciated role in preserving the United States during an unprecedented period of division Born a tanner s son in rugged Ohio in 1822 and battle tested by the Mexican American War Grant met his destiny on the bloody fields of the Civil War His daring and resolve as a general gained the attention of President Lincoln then desperate for bold leadership Lincoln appointed Grant as Lieutenant General of the Union Army in March 1864 Within a year Grant s forces had seized Richmond and forced Robert E Lee to surrender Four years later the reunified nation faced another leadership void after Lincoln s assassination and an unworthy successor completed his term Again Grant answered the call At stake once more was the future of the Union for though the Southern states had been defeated it remained to be seen if the former Confederacy could be reintegrated into the country and if the Union could ensure the rights and welfare of African Americans in the South Grant met the challenge by boldly advancing an agenda of Reconstruction and aggressively countering the Ku Klux Klan In his final weeks in the White House however Grant faced a crisis that threatened to undo his life s work The contested presidential election of 1876 produced no clear victory for either Republican Rutherford B Hayes or Democrat Samuel Tilden who carried most of the former Confederacy Soon Southern states vowed to revolt if Tilden was not declared the victor Grant was determined to use his influence to preserve the Union establishing an electoral commission to peaceably settle the issue Grant brokered a grand bargain the installation of Republican Hayes to the presidency with concessions to the Democrats that effectively ended Reconstruction This painful compromise saved the nation but tragically condemned the South to another century of civil rights oppression Deep with contemporary resonance and brimming with fresh detail that takes readers from the battlefields of the Civil War to the corridors of power where men decided the fate of the nation in back rooms To Rescue the Republic reveals Grant for all his complexity to be among the first rank of American heroes

The President and the Freedom Fighter Brian Kilmeade, 2022-10-25 NEW YORK TIMES BESTSELLER The New York Times bestselling author of George Washington s Secret Six and Thomas Jefferson and the Tripoli Pirates turns to two other heroes of the nation Abraham Lincoln and

Frederick Douglass In The President and the Freedom Fighter Brian Kilmeade tells the little known story of how two American heroes moved from strong disagreement to friendship and in the process changed the entire course of history Abraham Lincoln was White born impoverished on a frontier farm Frederick Douglass was Black a child of slavery who had risked his life escaping to freedom in the North Neither man had a formal education and neither had had an easy path to influence No one would have expected them to become friends or to transform the country But Lincoln and Douglass believed in their nation s greatness They were determined to make the grand democratic experiment live up to its ideals Lincoln s problem he knew it was time for slavery to go but how fast could the country change without being torn apart And would it be possible to get rid of slavery while keeping America s Constitution intact Douglass said no that the Constitution was irredeemably corrupted by slavery and he wanted Lincoln to move quickly Sharing little more than the conviction that slavery was wrong the two men s paths eventually converged Over the course of the Civil War they d endure bloodthirsty mobs feverish conspiracies devastating losses on the battlefield and a growing firestorm of unrest that would culminate on the fields of Gettysburg As he did in George Washington s Secret Six Kilmeade has transformed this nearly forgotten slice of history into a dramatic story that will keep you turning the pages to find out how these two heroes through their principles and patience not only changed each other but made America truly free for all *The Big Cheat* David Cay

Johnston,2021-11-30 Pulitzer Prize winning reporter and dean of Trumpologists David Cay Johnston reveals years of eye popping financial misdeeds by Donald Trump and his family While the world watched Donald Trump s presidency in horror or delight few noticed that his lifelong grifting quietly continued Less than forty minutes after taking the oath of office Trump began turning the White House into a money machine for himself his family and his courtiers More than 1 7 billion flowed into Donald Trump s bank accounts during his four years as president Foreign governments rented out whole floors of his hotel five blocks from the White House while lobbyists conducted business in the hotel s restaurants Payday lenders and other trade groups moved their annual conventions to Trump golf resorts And individual favor seekers joined his private Mar a Lago club with its 200 000 admission fee in hopes of getting a few minutes with the President Despite earning more than 1 million every day he was in office Trump left the White House as he arrived hard up for cash More than 400 million in debt comes due by 2024 and Trump still lacks the resources to pay it back Few people are as well positioned to write an expos of the former president as Johnston The Washington Post and The Big Cheat offers a guided tour of how money flowed in and out of Trump s hundreds of enterprises showing in simple terms how a corrupt president used our government for his benefit even putting national security at risk Johnston details the four most recent years of the corruption that has defined the Trump family since 1885 and reveals the costs of Trump s extravagant lifestyle for American taxpayers **Never Play Dead**

Three Days at the Brink Bret Baier, Catherine Whitney, 2019-10-22 The Instant New York Times Bestseller I could not put this extraordinary book down Three Days at the Brink is a masterpiece elegantly written brilliantly conceived and impeccably researched This book not only sparkles but is destined to be a classic Jay Winik bestselling author From the 1 bestselling author and award winning anchor of Special Report with Bret Baier comes the gripping lost history of the Tehran Conference where FDR Churchill and Stalin plotted D Day and the Second World War s endgame With the fate of World War II in doubt and rumors of a Nazi assassination plot swirling Franklin Roosevelt risked everything at a clandestine meeting that would change the course of history November 1943 The Nazis and their Axis allies controlled nearly the entire European continent Japan dominated the Pacific Allied successes at Sicily and Guadalcanal had gained them modest ground but at an extraordinary cost On the Eastern Front the Soviet Red Army had been bled white The path of history walked a knife s edge That same month a daring gambit was hatched that would alter everything The Big Three Franklin D Roosevelt Winston Churchill and Joseph Stalin secretly met for the first time to chart a strategy for defeating Adolf Hitler Over three days in Tehran Iran this trio strange bedfellows united by their mutual responsibility as heads of the Allied powers made essential decisions that would direct the final years of the war and its aftermath Meanwhile looming over the covert meeting was the possible threat of a Nazi assassination plot code named Operation Long Jump Before they left Tehran the three leaders agreed to open a second front in the West spearheaded by Operation Overload and the D Day invasion of France at Normandy the following June They also discussed what might come after the war including dividing Germany and establishing the United Nations plans that laid the groundwork for the postwar world order and the Cold War Bestselling author and Fox News Channel anchor Bret Baier s new epic history Three Days at the Brink centers on these crucial days in

Tehran the medieval Persian city on the edge of the desert Baier makes clear the importance of Roosevelt who stood apart as the sole leader of a democracy recognizing him as the lead strategist for the globe s future the one man who could ultimately allow or deny the others their place in history With new details discovered in rarely seen transcripts oral histories and declassified State Department and presidential documents from the Franklin D Roosevelt Library Baier illuminates the complex character of Roosevelt revealing a man who grew into his role and accepted the greatest challenge any American president since Lincoln had faced

The Presidents vs. the Press Harold Holzer, 2021-08-24 An award winning presidential historian offers an authoritative account of American presidents attacks on our freedom of the press including a new foreword chronicling the end of the Trump presidency The FAKE NEWS media Donald Trump has tweeted is not my enemy it is the enemy of the American People Has our free press ever faced as great a threat Perhaps not but the tension between presidents and journalists is as old as the republic itself Every president has been convinced of his own honesty and transparency every reporter who has covered the White House beat has believed with equal fervency that his or her journalistic rigor protects the country from danger Our first president George Washington was also the first to grouse about his treatment in the newspapers although he kept his complaints private Subsequent chiefs like John Adams Abraham Lincoln Woodrow Wilson and Barack Obama were not so reticent going so far as to wield executive power to overturn press freedoms and even to prosecute journalists Theodore Roosevelt was the first president to actively manage the stable of reporters who followed him doling out information steering coverage and squashing stories that interfered with his agenda It was a strategy that galvanized TR s public support but the lesson was lost on Woodrow Wilson who never accepted reporters into his inner circle Franklin Roosevelt transformed media relations forever holding more than a thousand presidential press conferences and harnessing the new power of radio at times bypassing the press altogether John F Kennedy excelled on television and charmed reporters to hide his personal life while Richard Nixon was the first to cast the press as a public enemy From the days of newsprint and pamphlets to the rise of Facebook and Twitter each president has harnessed the media whether intentional or not to imprint his own character on the office In this remarkable new history acclaimed scholar Harold Holzer examines the dual rise of the American presidency and the media that shaped it From Washington to Trump he chronicles the disputes and distrust between these core institutions that define the United States of America revealing that the essence of their confrontation is built into the fabric of the nation

The Age of Illusions Andrew Bacevich, 2020-01-07 A thought provoking and penetrating account of the post Cold war follies and delusions that culminated in the age of Donald Trump from the bestselling author of *The Limits of Power* When the Cold War ended with the fall of the Berlin Wall the Washington establishment felt it had prevailed in a world historical struggle Our side had won a verdict that was both decisive and irreversible For the world s indispensable nation its sole superpower the future looked very bright History having brought the United States to the very summit of power and prestige had validated American style liberal democratic capitalism as

universally applicable In the decades to come Americans would put that claim to the test They would embrace the promise of globalization as a source of unprecedented wealth while embarking on wide ranging military campaigns to suppress disorder and enforce American values abroad confident in the ability of U S forces to defeat any foe Meanwhile they placed all their bets on the White House to deliver on the promise of their Cold War triumph unequalled prosperity lasting peace and absolute freedom In *The Age of Illusions* bestselling author Andrew Bacevich takes us from that moment of seemingly ultimate victory to the age of Trump telling an epic tale of folly and delusion Writing with his usual eloquence and vast knowledge he explains how within a quarter of a century the United States ended up with gaping inequality permanent war moral confusion and an increasingly angry and alienated population as well of course as the strangest president in American history Hoax Brian Stelter, 2020-08-25 INSTANT NEW YORK TIMES BESTSELLER An NPR Best Book of the Year A thorough and damning exploration of the incestuous relationship between Trump and his favorite channel The New York Times A Rosetta Stone for stuff about this presidency that doesn't otherwise make sense to normal humans Rachel Maddow MSNBC Stelter's critique goes beyond salacious tidbits about extramarital affairs though there are plenty of those to expose a collusion that threatens the pillars of our democracy The Washington Post The urgent and untold story of the collusion between Fox News and Donald Trump from the New York Times bestselling author of *Top of the Morning* While other leaders were marshaling resources to combat the greatest pandemic in modern history President Donald Trump was watching TV Trump watches over six hours of Fox News a day a habit his staff refers to as executive time In January 2020 when Fox News began to downplay COVID 19 the President was quick to agree In March as the deadly virus spiraled out of control Sean Hannity mocked coronavirus hysteria as a new hoax from the left Millions of Americans took Hannity and Trump's words as truth until some of them started to get sick In *Hoax* CNN anchor and chief media correspondent Brian Stelter tells the twisted story of the relationship between Donald Trump and Fox News From the moment Trump glided down the golden escalator to announce his candidacy in the 2016 presidential election to his acquittal on two articles of impeachment in early 2020 Fox hosts spread his lies and smeared his enemies Over the course of two years Stelter spoke with over 250 current and former Fox insiders in an effort to understand the inner workings of Rupert Murdoch's multibillion dollar media empire Some of the confessions are alarming We don't really believe all this stuff a producer says We just tell other people to believe it At the center of the story lies Sean Hannity a college dropout who following the death of Fox News mastermind Roger Ailes reigns supreme at the network that pays him 30 million a year Stelter describes the raging tensions inside Fox between the Trump loyalists and the few remaining journalists He reveals why former chief news anchor Shep Smith resigned in disgust in 2019 why a former anchor said if I stay here I'll get cancer and how Trump has exploited the leadership vacuum at the top to effectively seize control of the network Including never before reported details *Hoax* exposes the media personalities who though morally bankrupt profit outrageously by promoting the President's propaganda and radicalizing the American right It is a book for
